AMICUS Fundacja Luszczycy i LZS	ul. Orlębuska 5, Warszawa, - 01-475, PL	Patient Organization Agreement/Grant	Continuation of Project PSOs Psoriasis	<p>Financial grant to Amicus Psoriasis Foundation was dedicated to continue the support the Project PSORIASIS LZS including implementation of the hotline with information for patients with psoriasis from whole country. Additionally to support the Psoriasis Awareness Week - which took place between 24-19 October 2022. The goal was to educate patients with moderate to up to severe psoriasis, especially support was focused on the process, each patient has to go through, from obtaining medical assistance adequate to the state of health to treatment. The best HCPs - experts on psoriasis treatments in Poland participated in this event. Thousands of people had the opportunity to take and read the educational materials on psoriasis. Around 80% of people calling the hotline are already being treated effectively. The program received the Patronage of the Spokesman for Patients' Rights and the Rector of the Center for Postgraduate Medical Education in Warsaw, Poland.</p>	25000 PLN
